

## **CONTENTS**

1. Summary of Renewable Energy Sector in Indonesia.....	2
2. Geothermal Power in Indonesia .....	4
2.1 Existing Geothermal Power Plants .....	4
2.2 Geothermal Law and Business Structure.....	5
2.3 Future Prospects .....	8
3. Geothermal Development Process in Indonesia.....	10
3.1 Geothermal Development Process.....	10
3.2 CDM Projects .....	12
3.3 Sustainable Development Criteria .....	13
3.4 Procedures of CDM Project Approval.....	15
4. Conclusion.....	19
Appendix 1: Geothermal Potential in Indonesia .....	20
Appendix 2: Technology Specification for Kamojang Geothermal Power Plant .....	21
